## April Rally and Dinner 2012

Last weekend was Great weather, Saturday and Sunday. Had a great time on the run and the Escarabajo club set up a great course - hard and easy. As you all know we did the hard course and that was fun. Hope you all had a good time. The Dinner was great. The turn out was not as good as last year, but we served 58 people. We had a good raffle and great prizes.

Thanks to Everyone for their Hard work.

Thanks Mike
